May Good Come to You!

Here's your bookmark plan for reading through the entire Bible in one year. May God bless you for your desire to read His Word and may the Holy Spirit give you understanding.

This plan is organized so that you will read about four chapters per day, six days per week. On Sundays there are no readings. This pattern is NOT completely predictable as occasionally we'll deviate from the plan. In the beginning months, you'll read Psalms and Proverbs out of order as part of your Old Testament reading, just for variety.

One bit of advice ... try not to fall too far behind because missing reading for just one week requires doing many chapters at a time just to catch up.

If you do fall behind, don't feel condemned! Just skip those chapters and start over on the reading for the current day. It's hard to skip, but just read steadily and you'll make it.

So relax, find a comfortable chair, and 20 minutes a day to be alone with the best Author in the universe and take in His eternal Word.
